"RED! "

Rustling of sheets and what sounded like a thump before the door open, revealing a semi awake Cerise.

"Whatda want Ramona,"

"Well Dad wanted to invi-"

"Cerise, Lizzy called about something, Lunch?"

"Hey Maddie, any idea wheres kitty?" Asked Cerise as she look around for her mischievous girlfriend, since she hasn't seen her at all

today which is starting to worry her.

'She's over the weather on top of the sun" replied maddie only to confused the wolf child.

Looking towards Raven or Bunnie for clarification only to find them both scarlet as her cloak.

"Guys?"

Silence

Huffing Cerise went to the only placed she haven't look, Kitty's dorm.

Now kitty was never an indoor person besides being a cat she like to play pranks on people or bask in the sun, so being in her room was something rare.

**KNOCK KNOCK**

_That's weird _thought Cerise as she knew Kitty would have responded, either in riddish or with a cheshire cat smile .

Waiting a bit more, Cerise started to worry, _what if she's hurt or drank bad milk or or or overdose on catnip._

Now with agitated Cerise did what any good girlfriend would do, pick the lock and enter in a brash way to see the danger.

Only there was no danger, unless a naked cat humping a pillow moaning her girlfriends name can be put in the category.

Panting, Kitty was humping the pillow moaning Cerise's name as she kept coming, trying to satisfy her heat only to have the pillow pulled away.

Her insult was caught in her throat as she saw her attacker, a golden eyed, growling wolf girl grinding her teeth as she was trying to gain some self controlled.

"**YOU ARE MINE**"

Cerise pushed herself between kitty's legs making her feel her now raging boner.

Whimpering kitty tried to rub herself on the massive cover cock.

"Please!" Kitty's pussy started to leak as she felt her heat intensify by a tenfold.

"If you want so bad, suck me off and maybe I'll fuck you". Cerise whispered into her lover's ear, letting go of her hands she pulled down her pants letting her massive 8 inch long 2 inch thick cock out. Bobbing heavily as precum oozed out of the slit.

panting , Kitty reached for the rod giving it a few quick licks, causing Cerise to growl in apperation.

Before swallowing the shaft down her throat gagging only when she took more than 6.

Moaning her lover's name Cerise pulled her cock out of the warm cave of kitty's mouth only to cock slap her.

"Fuck, does this pussy cat what some cock" Cock slapping kitty on her face leaving a trace of precum on her cheek.

"Fuck YES" panted kitty as her pussy throbbed with need.

"Open wide"

With that Cerise skulled fuck kitty.

Before moaning and releasing ropes of cumdown her thoart. Pulling out Kitty cough as she finally had her airway open before using her magic to push Cerise on her back and lining up her pussy with Cerise stilled hard as steel cock.

"Fuck you want this cock don't you"

"Fuck yes"

"Then take it" With that Cerise pump her cock up into Kitty's pussy, Kitty back arched as she moaned. Pumping in and out Cerise groaned as she felt the inside of kitty's pussy tug and squeeze her cock.

"Fuck"

Panting as she rode Cerise's cock Kitty couldn't help but moan as she felt every inch of Cerise's massives cock, every vain as it brushes past her g spot resulting her to cum multiple times.

"FUck Yes, YES FFFUUUUUCKK" !

"You like my cock don't you take that cock"

"Yess yess yess"

"GOOd"

"CERISE" !

"KITTY" !

Panting, Cerise pulled her cock out of kitty's well fuck pussy, letting a whine out of kitty, gesturing her to put her cock in to prevent the still warm cum from leaving.

"Found you"
